

Life Long Love

[Litmus A Freeman](#) / Cliff Coates

[G A] x 3 G A D /

A D G A
When we met you were down, down the end of my way
F#m Bm Em A
Remember when you came round and we first started to play
A D G A
We were full of i - deas, ideas came looking for us
F#m Bm Em
But overcome with our fears, our fears came looking to

G A G A
Freeze my life and melt your mind, I
G A G A D /
left my life, I left my life long love

D / G /
How come we never saw what we had then
All that went before we can have a - gain
Bm A G / D/F# Em
I missed you with me, you missed me too
A / A7 (tacet) /
Ahh Ahh Ahh

A D G A
Bring it all back to - day, to - day is where it should be
F#m Bm Em A
All the things that we say are true in all that we see
A D G A
I could make up a line, a line is waiting for you
F#m Bm Em
And a couple of beers will give me life cos I

G A G A
love my life the life I live I
G A G A D
love my life I love my life long love

D / G /
Now is our yesterday of future's past
You will re - member if we make you laugh
Bm A G / D/F# Em
Memories will linger where you let them be
A / A7 (tacet) /
Ahh Ahh Ahh
