

# The Path To War

[Litmus A Freeman](#)

**Dm** **G** **Dm** **F** **G** **A**  
The clock is ticking faster every day  
The diplomats have said all they can say  
**F** **G** **Bb** **Gm7** **A7sus** **A7**  
We advise, you try and find a compromise  
**Dm** **G** **Em** **B7sus** **B7**  
and sanction further sanctions right a-way

**Em** **D** **Em** **G** **A** **B**  
You saw the gulf invasion as a threat  
Not as a chance for talks we thought we'd never get  
**G** **A** **C** **Am7** **B7sus** **B7**  
We can see, you've missed an opportunity  
**Em** **D** **Bm** **E7sus** **E7**  
Your heading for a fight we'll all regret

**Am** **G** **Am** **C** **D** **E**  
We want to drive Iraq out of Kuwait  
But ways to save young / precious lives I've not heard in debate  
**C** **D** **F** **Dm7** **E7sus** **E7**  
The super power has given us eleventh hour  
**Am** **G** **Em** **A7sus** **A7**  
After just eleven weeks of stalemate

**Dm** **G** **Dm** **F** **G** **A**  
What makes this new invasion so unique  
Your haste to strike shows up the fact your reasons to are weak  
**F** **G** **Bb** **Gm7** **A7sus** **A7**  
Just for oil, you'd spill young blood on foreign soil  
**Dm** **G** **Em** **B7sus** **B7**  
And kill the sons of those for whom you speak

**Em** **D** **Em** **G** **A** **B**  
Your big mistake was setting a dead-line  
and forcing East and West alike to live on borrowed time  
**G** **A** **C** **Am7** **B7sus** **B7**  
Mr. Baker, you'll not be one to meet your maker  
**Em** **D** **Bm** **E7sus** **E7**  
Fighting to defend the Western line

**Am** **G** **Am** **C** **D** **E**  
So lets remember what we're aiming for  
Peace throughout the middle east, for the oil-rich and the poor  
**C** **D** **F** **Dm7** **E7sus** **E7**  
With Desert Shield our sanctions' strength would be revealed  
**Am** **G** **Am** /  
and turn us off our rocky road to war  
We're sliding down the slippery slope to war  
I can't believe we're on The Path to War
