

We Are Love

[Litmus A Freeman](#)

I am love, you are love, we are love

I am you, you are me, We are them, and they are we

She is he, and he is she, We are one, one are we

I am love, you are love, we are love

I am love, you are love, we are love

I am love, you are love, we are love

I am love, you are love, we are love

All is one, one is all, Macro large to micro small

As above, so below, Corresponding in the flow

I am love, you are love, we are love

I am love, you are love, we are love

I am love, you are love, we are love

I am love, you are love, we are love

I am love... You are love... We, are, love

I am love, you are love, we are love

I am love, you are love, we are love

I am love, you are love, we are love

I am love, you are love

We, are, love

We, are, love

We, are, love

We, are, love
